Stone Angels is a must-read for anyone who wants to understand the human face of AIDS. The book is a powerful reminder that this disease is

not just a statistic, but a real and devastating illness that affects millions of people around the world.

The stories in Stone Angels

The stories in Stone Angels are told in the first person, and they give readers a chance to hear directly from people who are living with AIDS. The stories are honest and raw, and they offer a unique glimpse into the lives of people who are facing this disease.

Some of the stories in Stone Angels are about people who have been living with AIDS for many years. They have learned to live with the disease, and they have found ways to cope with the challenges that it presents.

Other stories in Stone Angels are about people who have been recently diagnosed with AIDS. They are still trying to come to terms with their diagnosis, and they are facing a lot of uncertainty about the future.

No matter what their circumstances, the people in Stone Angels are all united by their courage and their determination to live their lives to the fullest.

The impact of Stone Angels

Stone Angels has been praised by critics for its honesty, its compassion, and its powerful storytelling. The book has won numerous awards, and it has been translated into more than 20 languages.

Stone Angels has had a profound impact on the lives of many people. The book has helped to raise awareness about AIDS, and it has helped to break down the stigma that is associated with the disease.

Stone Angels is a book that will change your life. It is a powerful and moving book that will stay with you long after you finish reading it.

How to help people with AIDS

There are many ways to help people with AIDS. You can volunteer your time at an AIDS service organization, donate money to an AIDS charity, or simply educate yourself about the disease and talk to others about it.

No matter how you choose to help, you can make a difference in the lives of people with AIDS. Your support can help them to live longer, healthier lives, and it can help to break down the stigma that is associated with the disease.

Stone Angels is a powerful and moving book that tells the stories of people who are living with AIDS. The book is a tribute to the strength and resilience of the human spirit, and it is a reminder that even in the face of adversity, there is always hope.

Stone Angels is a must-read for anyone who wants to understand the human face of AIDS. The book is a powerful reminder that this disease is not just a statistic, but a real and devastating illness that affects millions of people around the world.
